

The Ida Cason Callaway Memorial Chapel is nestled in the woods beside Falls Creek Lake. Of English Gothic architecture, this chapel is built entirely of native materials. Its beautiful and unique stained glass windows depict the four seasons of Callaway Gardens. The chapel, dedicated in memory of Cason J. Callaway's mother, is a quiet place to come to reflect and enjoy the beauty of nature. Callaway Gardens is located off I-185 south of Atlanta on U.S. 27 at Pine Mountain, Georgia.
